

Woods-Rainy Edition

Ontario Series

The First DETAILED Fishing Charts of:

Lake of the Woods, Rainy Lake, and the Rainy River

LAKE OF THE WOODS

The LakeMaster Woods-Rainy GPS Map Card contains the entire area depicted inside the blue outline. The high-definition, one-foot contour surveys are available for the areas depicted inside the red outline. The areas outlined in red also include navigation hazards, buoys, navigation tracks, lake feature names, and boat access points. Also included are Enhanced contours for Namakan, Sand Point, and Crane Lakes, as well as MapCreate BaseMap data for the surrounding area. (Includes major roads, streets, parks, lakes, and streams)

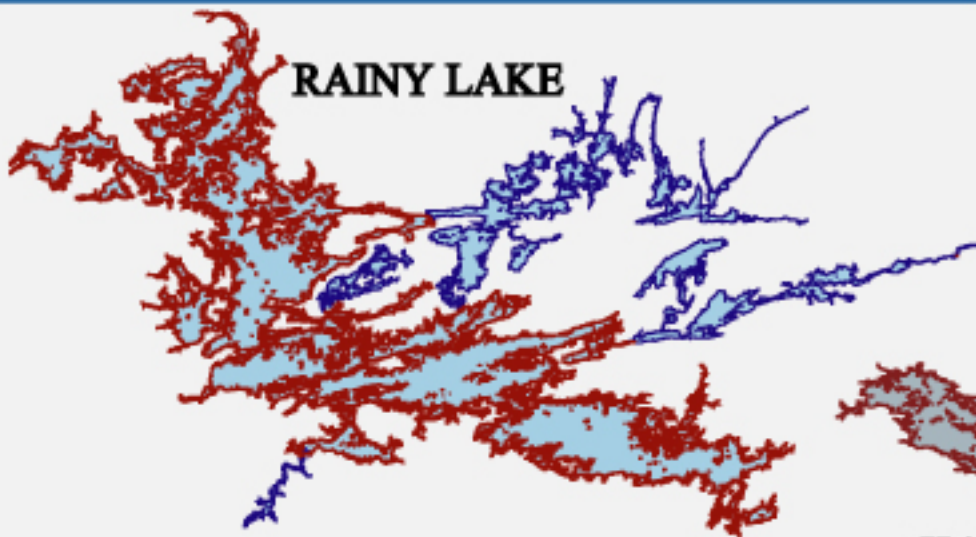

Lake of the Woods

RAINY RIVER

International Falls

The entire Rainy River in High Definition one-foot contours
